	<p>Out & About works in various locations throughout the east of England; including Suffolk, Essex, Thurrock, and surrounding areas. We don't have any centres; we don't run trips or provide our own activities; and you won't see our logo on the side of any minibuses...</p> <p>All of our work takes place in the local community enabling existing leisure providers to become more inclusive by supporting them to include local disabled children and young people in their activities.</p>
