

In your community

At Out & About we need to raise £800,000 each year to continue to provide the current level of support to disabled children and young people who need us. Community groups play a vital role in helping us to raise this money. Read this section to find out how you can get your local community involved and make a real difference to disabled children living in your area.

Are you inspired by the work that Out & About does and would you like to fundraise for us? Read on to find out more about how you could join the team raising funds for Out & About.

Schools and Nurseries

It is estimated that schools raise an amazing £200 million a year for charity. If your school is looking for a charity to support then we would love you to support Out & About so that we can continue enabling disabled children and young people to have fun and enjoy leisure activities along with their non disabled peers.

Universities and Colleges

We are always on the look out for enthusiastic students who want to raise money. Our fundraising team is on hand to offer you practical advice, support and tips to make your fundraising event a success.

Groups and Clubs

Are you a member of a group such as Brownies or Cubs, a place of worship, a golf club or a choir? Do you have a garden you'd like to open to the public or would you like to put your baking skills to good use? If so, please contact us.

Community enquiries

If you need any fundraising materials or would like to discuss how to get the most out of your fundraising, please feel free to contact our Fundraising Team on 01473 839240

Fundraising tips

If you have never raised any money before please do not feel daunted by it, as we will advise you every step of the way. There are many different ways to fundraise from baking cakes to marathon running and bike rides to skydiving
